Homily

Applications to my life:
 - What did God say to me through the homily?
 - What does God want me to do?
 The test of a preacher is that the (assembly) goes away saying not ‘what a lovely sermon’, but **‘I will do something about it’.** – **St. Francis de Sales**

Living Stewardship – SPEAK LIFE

Some frogs were looking for a bigger pond when two of them fell into a deep hole. It was so deep the other frogs shouted down they were as good as dead. The two frogs ignored the shouting and made mighty efforts to jump out. The other frogs jeered and told them to give up. Finally, one of the frogs fell on his side and died. The other frog kept jumping as hard as he could. The crowd of frogs outside yelled at him to give up and die. He jumped even harder and made it out of the hole. Astonished, the other frogs said, "Didn't you hear us?" The frog asked them to repeat what they just said because he was deaf. He thought they were shouting encouragement to him! Destructive words can deprive people of hope and life. So speak life to those who cross your path. The person who encourages another is special indeed.

Pierogi Tree It will very soon be Lent....and it will also soon be time for pierogi dinners. You will notice the pierogi tree has gone up at the front entrance of the church. Hanging on the tree are eggs with suggested donations to help with the pierogi supplies we will need to help keep the cost of the dinner at a mere \$5.00. If you can help, please take an egg and place your donation inside the attached envelope which you can drop in the collection basket or mail to the church office. Thanks for your support.
